

## **ANNOUNCEMENT TO ALL AIMST STUDENTS - 31 May 2021**

### **AIMST UNIVERSITY Action Plan on the Decision on Full Movement Control Order Imposed by the Malaysian Government from 1<sup>st</sup> June 2021 to 14<sup>th</sup> June 2021.**

Further to the latest announcement by the Prime Minister on 28 May 2021, please be informed on the enforcement of Full Movement Control Order (FMCO) effective from 1<sup>st</sup> June 2021 to 14<sup>th</sup> June 2021.

In view of our commitment to a safe campus & safety of our students please be informed the following operational guidelines.

#### **Teaching & Learning:**

1. All the teaching, learning and assessment will be continued online as per the schedule.
2. Student Registration and New Intake will be done on-line.

#### **Student Movement:**

1. Students who are currently in campus should remain in campus. Students are advised against travelling back home.
2. Students are advised to restrict / minimize movement around the campus and are not allowed to leave campus.
3. No students will be allowed to enter the campus during the lockdown period.
4. Laboratory facilities will be open for research students in the campus. Off-campus postgraduate students who undergo research activities are advised to move into the in-campus residential facility before the lockdown period to continue their research work. However, they have to undergo 10 days of isolation in the campus isolation center and comprehensive medical screening before continuing their research activities in the laboratories.
5. All the research students should confine to their workplace, strictly adhering to SOP.
6. Non-hostellers staying in the vicinity of the campus are advised not to perform any interstate / interdistrict travels and kindly adhere to the latest FMCO SOPs.

**Student activities:**

1. All student activities including clubs, associations and co-curricular activities involving face to face and in groups are not allowed. Students are encouraged to carry out co-curricular programs / activities through online or appropriate digital platform.
2. All Face-to-Face social, religious, economic, sports and group recreational activities are not allowed.

**Support Services:**

1. Cafeteria will be functioning from 8:00 am to 8:00 pm as per the current SOP, however, dine-in will not be allowed. Students are encouraged to pack the food.
2. Outside food delivery services are allowed only from 8:00 am to 8:00 pm and the delivery point will be in front of Cafeteria building. However, students are advised to limit the outside food delivery services.
3. Library, study areas, sports complex and swimming pool will not be operational during the lockdown period.
4. Sports activities are limited to jogging and exercise only by adhering to a physical distancing of at least 2 to 3 meters.
5. All the essential services including Warden office, Security, AIMST Clinic, Student Affairs Division, Laundry service, Cleaning services, grocery stores, Maintenance, IT Support etc., will be functional with strict SOP.

**Consuming Packed Food:**

1. No students shall be allowed to bring or consume food in the unauthorized areas including library complex and outdoor seating areas.
2. Leaving / throwing the food packs in the undesignated areas are also strictly prohibited.
3. Students are encouraged to consume their packed food in their hostel rooms.
4. The food packets/pouches should be disposed at the designated disposal area.

## **Students Counselling Unit:**

We also encourage students to use our students counselling service where students can set an appointment to talk to our counsellor about their concerns and problems. Students can also utilize virtual counseling services on appointment. Students are welcome to contact CASU.

Dr. Krishnan : +60-19-2109083

Our team is committed and will continue working hard to protect the safety and wellbeing of our students as we navigate through this global health crisis together.

We would like to express our gratitude for your understanding, cooperation and support in aiding us to carry out the best measures possible to overcome this situation. We will keep you updated on any further developments pertaining to this disease. We will also review the precautionary measures from time to time.

**Regards**

**Assoc. Prof. Dr. Ramesh Kumaresan**

**Deputy Vice-Chancellor (Student Affairs)**

**AIMST University**
